

# Project 1 Report

## Main Desk:

Includes cards, my phone, a can of Red Bull in which I consume a lot, and me passed out after a study session.

## Wall divider:

A Divider with the hazard logo showing this is my Covid room with a multi colored divider to divide up the sides of the room.

## Interest Walls:

My walls detailing my quarantine life and interests in which I took part in while I have been in self-isolation including games, shows, apps and work.

Table 2:

Includes a meal I have been eating a lot of lately.
